MEMO

From: Ferris

Subject: "Soul of Abe Lincoln
by Bernie Babcock"

Babcock also wrote "Soul of Ann Rutledge"

I have hastily reviewed the book and find it very interesting. I will want to read it carefully at my leisure. I am sure I found the quotation you wanted.

The book deals with the intimate things of the last few months of Lincoln's life.

In Chapter 6, "Moses on Nebo", Lincoln has been forewarned of the attempts on his life. Father Chiniquy, "whose devotion to President Lincoln dated back to a court room in Urbana, gave him the fullest, most direct warning, his voice choking as he looked into the face of the President and told what had come to him".

Lincoln then answered by stating that he had the same warning and had the feeling that Moses must have had on Nebo when the Lord told him to go up unto the top of Pisgah and lift up his eyes and look onto the promised land.

Father Chiniquy replied, "but my dear Mr. President, to die is different from being cut down by an assassin in the dark. Why should this be", and Lincoln replied:

"It comes of giving liberty to the forces which only use it for their own dark ends. Till lately I have been in favor of unlimited liberty for every man as our constitution seems to guarantee. But is it not an act of folly to give absolute liberty of conscience to a set of men who are sworn to cut our throats the very day they have their opportunity for doing it? Is it right to give the privilege of citizenship to men who are the sworn enemies of our constitution, our laws our liberties and our very lives? Is it not an absurdity to give to a man a thing which he is sworn to hate, curse and destroy? Sooner or later the people of the Republic must put a restriction on the exercise of liberty turned toward the destruction of that from which it came.....But this is the problem of another generation. Just now the great work is to bind together in the bonds of sympathy and common weal the sisterhood of states that the Union may be one of hearts and hands and hope as well as of states".

Dear Mr. Shannon:

Dr. Louis A. Warren, director of this foundation, who is now in the west on an extended speaking itinerary has written requesting me to try to find out whether or not the statements in Babcock's "The Soul of Abraham Lincoln," quoted from "Chiniquy's Autobiography--Fifty Years," are authentic or whether they have been repudiated, as some of his information has been.

We have the book by Chiniquy called "Fifty Years in the Church of Rome" which gives the account mentioned by Babcock but in a different form, being against the Church of Rome and giving a great deal which Babcock omitted. This account is given on pages 704 and 705 of the Chiniquy book, and is as follows:

"Till lately, I was in favor of unlimited liberty of conscience, as our constitution gives it to the Roman Catholics. But now, it seems to me that, sooner or later, the people will be forced to put a restriction to that clause towards the Papists. Is it not an act of folly to give absolute liberty of conscience to a set of men who are publicly sworn to cut our throats the very day they have their opportunity for doing it? Is it right to give the privilege of citizenship to men who are the sworn and public enemies of our constitution, our laws, our liberties, and our lives?

(A paragraph entirely on the Catholic Church which Babcock omits.)

"Is it not an absurdity to give to a man a thing which he is sworn to hate, curse, and destroy? And does not the Church of Rome hate, curse and destroy liberty of conscience, whenever she can do it safely?....

(Another paragraph on the Church of Rome).

"This does not seem to be understood by the people to-day. But sooner or later, the light of common sense will make it clear to every one, that no liberty of conscience can be granted to men who are sworn to obey a Pope, who pretends to have the right to put to death those who differ from him in religion."

Chiniquy then says that the President said, "You are not the first to warn me, etc." and gives several quotations from the third chapter of Deuteronomy, the 22nd to the 28th verse, which Lincoln is supposed to have read to him.

Carl Theodor Wettstein in his book "Was Abraham Lincoln and Infidel?" says of Father Chiniquy's account of this incident: "The authenticity of which is doubted by some, although others are fully satisfied that they are genuine."

I have not been able to find this account in any detail in any other works and I fear that I have not helped you out very much. If I can be of further service, please do not hesitate to let me know.

Dear Sir:

I am informed that you can give me the necessary information with regard to the following quotation represented as having been from a communication by Abraham Lincoln, and as having been "lectured" in the west by a Dr. Warren for account of your company:

"Until lately I have been in favor of unlimited liberty for every man, as our Constitution seems to provide.

"But is it not an act of folly to give absolute liberty of conscience to a set of men who are sworn to cut our throats the very day they have the opportunity for doing it?"

"Is it right to give the privilege of citizenship to men who are sworn enemies of our Constitution, our laws, our liberties and our very lives.

"Is it not an absurdity to give to a man a thing which he has sworn to hate, curse and destroy?"

"Sooner or later the people of the Republic must put a restriction on the misuse of liberty turned toward the destruction of that from which it came."

Can you tell me when Lincoln wrote it? To whom did he address it? Is it printed in a book by "Bernie Babcock" entitled something like this: "The Soul of Lincoln"?

I understand it has been quoted in testimony in the Congressional investigation of unAmerican activities.

Any authentic and full information you can give will be much appreciated, such as where the book may be bought, etc.

Sincerely,

April 5, 1935

Mr. Robert Edward Edmondson

My dear Mr. Edmondson:

Your letter directed to the President of The Lincoln National Life Insurance Company has been forwarded to this Department.

In this letter you make a statement that the writer while on a recent lecture tour on the western coast used certain words alleged to have come from Abraham Lincoln which have evidently been clipped from some printed manuscript.

It is of very vital importance to me to know just where you received this information that these words were used by me in a lecture and at just what place these words were used as some one has evidently been guilty of gross misrepresentation.

At no time or at no place, either in public speech or private conversation, have I ever alleged that Abraham Lincoln used the words in point in your letter.

On February 6 I addressed the Kiwanis Club of Los Angeles. At the conclusion of my address a man by the name of Mr. O. L. Ferris, 1016 Citizens National Bank Building, Los Angeles, California, approached me and asked me if I could locate for him at the very earliest possible moment a quotation alleged to have been made by Father Chiniquy which contains the statement in your letter as having been used by me as a quotation of Lincoln.

Mr. Ferris at that time advised me that he was very anxious that Mr. Michael F. Shannon, Grand Exalted Ruler of the Elks, Biltmore Hotel, New York City, be given some information as to the authenticity of the alleged quotation from Father Chiniquy.

I immediately forwarded the request of Mr. Ferris to our library at Fort Wayne asking them to identify for Mr. Shannon the exact quotation as used by Father Chiniquy and to learn if possible whether or not it was accepted generally.

Dear Mr. Warren:

Thanks a lot for your very comprehensive and complete information regarding the Lincoln quotation referred to in a recent communication. Yours of April 5 clarifies the atmosphere.

Evidently, word-of-mouth rumor has garbled the reports about this matter on the west coast. It always so happens in passing through several units, especially those with a mission. The information was received by the writer second hand or perhaps third hand, via the Elks Los Angeles headquarters and the Better Business Federation circles in that city, where it had evidently been discussed extensively.

The quotation appears in the testimony taken by the Dickstein Congressional Investigators in Los Angeles, according to my own inspection of a printed report. It was given in an allusion of a patriotic character, without collateral explanation other than to say Lincoln had either written or spoken the excerpt.

The quotation print or proof in my communication is an "advance reproduction" in a pamphlet by the writer now going to press in connection with an exposure of the CAUSE of Communism; and as soon as it is in my hands, I shall be glad to mail you a copy of same--probably by the end of the week.

No reference appears with regard to yourself or the Lincoln National

THE DAMNING PARALLELS

Of

The Protocol "Forgeries"

As

Adopted and Fulfilled in the United States

By

Jewish - Radical Leadership

A DIABOLICAL CAPITALIST-COMMUNIST ALLIANCE UNMASKED

By

Robert Edward Edmondson

(A Politico-Economic Educational Analysis—Not "Anti-Racial or Religious Propaganda")

WHY "THE PROTOCOLS" VITALLY CONCERN AMERICA

Americanism is *unconcerned* with the authenticity or the authorship of the famous so-called "Protocols of the Learned Elders of Zion," filed in the British Museum in 1906 via Russia; or whether, as alleged by Jewish writers, they are "racial libels," "forgeries" or "plagiarisms."

Americanism IS concerned with WHY such prophecy-plans, used to promote the bloody Jewish-Communist Conquest of Russia in 1917, have also been *adopted and actually fulfilled* in subversive Communistic laws and administration by the Jewish-Radical Roosevelt "New Deal" Regime (as paralleled herein).

Americanism IS concerned with *WHO finances and directs* Communistic undermining of the United States Government—and finds eminent Jewish and Gentile authorities in *startling agreement* (as quoted herein).

A CLARIFICATION BRIEF

The author is not against Jews *as Jews*, as individuals or as to religion; but is anti-Jewish *solely* because their leadership is *actively anti-American*, and because the Jewish people *refuse* to repudiate it.

Tolerant citizens who "don't want to indict a whole race" and would make exceptions in this patriotic crusade, are reminded: (1) That the comparatively few sufferers of the offending minority, whose *leadership* predatorily attacked the hospitable majority, have not yet publicly renounced such guidance; (2) That millions of innocent American victims thereof are crying for simple justice; and (3) That said multitude obviously deserves relief first, since "charity begins at home."

Never having been seriously injured specifically by a Jew, the author writes with *no personal animus*. While patriotically resenting the alien subversive activities which have prostrated America under a Great Predatory SUPPRESSION, he *abstractly* analyzes the record in this vital problem.

He conceives the term "Jewish anti-Americanism" to include "Jewish" by ancestry, marriage, adoption or a "renegade association" *defensive of* and loyal to Jewism before Americanism—therefore to be classified: "*Public Enemies Class A and B.*"

He hopes for a settlement of the Jewish question through the *Whole Truth, Exact Justice* and American Honor; and believes those who cannot subscribe to that effective platform must confess prejudice.

THE STORY OF "THE PROTOCOLS" IN BREVITY

Just what are "The Protocols of the Learned Elders of Zion?"

A book placed in the British Museum via Russia in 1906 containing a record of 24 alleged secret meetings of an International Sanhedrin called "The Kehillah." (Its New York headquarters listed in the telephone directory as located at 70 Fifth Avenue.) Asher Ginsberg of Russia, dubbed "King of the Jews," is credited with *editing* "The Protocols," which are now reported as having an European circulation larger than The Bible.

What is their purport?

A plot or organized conspiracy to establish a world Jewish super-government on the structure of The League of Nations.

Do they indicate how this is to be done?

Yes. The protocolic war-strategy is to *promote Communistic revolution* among Gentile nations and *seize politico-economic control during the chaos* through "the power of gold," which is declared to have been corralled by Jews *through subsidization of the press.*

How are intelligent Gentiles to be duped?

By bewildering publicity propaganda, making it appear that subsidized political leaders are *against* the very subversive objectives *they secretly promote;* and by boring into key-posts of *all* parties so that Jews will rule whichever way sentiment prevails.

Is there any modern evidence to support the world super-government plot-theory?

In 1920 noted Jewish Author Israel Zangwill called The League of Nations "*an essentially Jewish aspiration.*" In 1922 Zionist Leader Nahum Sokolow referred to it thus: "*The League of Nations is a Jewish idea. We created it after a fight of 25 years.*" The Imperial British Fascist League calls it "*a Jewish Trap.*" The *Jewish-dominated* governments of France, Russia and England control The League, according to English authors.

What is the origin of the profound philosophy behind the protocols?

Independent Gentile and Jewish writers trace back to destructive doctrines of the ancient books of the Talmud or Jewish bible, and then down through a brief "protocol of vengeance," signed "Prince of the Jews", in 1492 at Constantinople (quoted on the last cover-page hereof).

Are there any *concrete* illustrations of ruthless philosophy?

Theodor Herzl, "Father of Zionism," told a British Royal Commission in 1902, that the Jews regard Gentiles as "*A Common Enemy;*" the implication being that *they make constant economic warfare on non-Jews.*

But what could be more *damning* than this protocolic confession: "Anti-Semitism is *indispensable* to us for the *management* of our *lesser brethren?*" (Protocol No. 9). Such a satanic disciplinary strategy, however, is dictated by the ruthless philosophy. Jewry's essential *minority isolation-status* amid all nations requires a merciless solidarity protective-policy since its leadership wages relentless economic warfare against Gentiles as "A Common Enemy."

The notorious "Kol Nidre" Day-of-Atonement-Prayer in the Talmudic Book "Shulchan Aruch, Edit. I, 136, reads: "All vows, oaths, promises, engagements and swearing which, beginning this very day of reconciliation until the next day of reconciliation, that we intend to vow, promise, swear and bind ourselves to fulfill, we repent of BEFOREHAND; let them be illegalized, acquitted, annihilated, abolished, valueless, unimportant. Our vows shall be NO VOWS, and our oaths NO OATHS."

West of the Mississippi River the anti-Jewish tide is rising to evangelical heights that are publicizing Talmudic quotations *far worse than the foregoing,* with references to Christ's telling Jews that they were "*Sons of the Devil*" (John 8:44, New Testament).

Is there any other modern testimony as to this destructive anti-Gentile philosophy?

Rabbi Lewis Browne—who ridicules the “chosen claim”—in his 1924 book “How Odd of God,” says: “*We intend to REMAKE the Gentile—What the Communists are doing in Russia. Three generations may be required.*” Over 30 million Russian Gentiles have perished *since the “remake” started in 1917.*

“We Jews are the world’s seducers, *destroyers*, incendiaries and executioners,” says London Jewish Savant Dr. Oscar Levy in a preface to “The World Significance of the Russian Revolution,” published in Britain by George Pitt-Rivers.

“The Protocols *fit in* with what is going on,” said Henry Ford in the N. Y. World of Feb. 17, 1921. Why is he silent today about the many actual New Deal *fulfillments* thereof? Ford’s “International Jew” booklets of 1921, exposing anti-American Jewishness and the protocol horrors with masterful unanswerable analysis and devastating direct-logic, are *fear-suppressed* from general publication in America, like “The Protocols,” but circulate in Europe *more extensively* than ever before, according to recent *Jewish statements*.

“*There is an international super-capitalistic government supported wholly by the fiction that gold is wealth * * * a central financial force playing a vast and closely organized game with universal control as its stakes.*”—From Ford’s “International Jew” of 1920.

In European pamphlets Bismarck is being quoted as having said: “Abraham Lincoln *read the plots* of Jewish financiers. He decided to *eliminate* International Jewish Bankers by establishing a system allowing states to borrow *directly* from the people. *His death was decided upon.* Nothing was easier than to find a fanatic to strike. The death of Lincoln was a disaster to Christendom.”

The following excerpt is from recent Congressional testimony in California when Communist activities were being investigated; having been taken from a book called “The Soul of Lincoln,” and quoted from a statement made by him not long before his martyrdom:

“*Until lately* I have been in favor of unlimited liberty for every man, as our Constitution seems to provide.

“But is it not *an act of folly* to give absolute liberty of conscience to a set of men who are sworn to *cut our throats* the very day they have the opportunity for doing it?

“Is it right to give the privilege of citizenship to men *who are sworn enemies of our Constitution, our laws, our liberties and our very lives?*

“Is it not an *absurdity* to give to a man a thing *which he has sworn to hate, curse and destroy?*

“*Sooner or later* the people of the Republic must put a restriction on the *exercise of liberty* turned toward the *destruction of that from which it came.*”

Not many years afterward *European bribery* brought about the *demonetization of silver* in the U. S. and abroad, thereby giving International Bankers *full manipulative control* over the limited monetary gold supply of the world and the property values it represents and symbolizes in exchange.

Does there appear to be any *powerful* activating motive behind the diabolical antagonism manifested in protocolic writings?

Revenge for ancient religious persecution (see 1492 Protocol on last page) is declared by some Jews to have been responsible for the economic and political pogrom outlined therein against the Gentiles. Prominent Jews like James P. Warburg emphatically tell the writer that *religion has nothing to do with the present situation*; that it is really a political and economic problem.

What do modern Jewish leaders say about “The Protocols”?

They deny Jewish *authorship*, and brand them as racial libels, plagiarisms and forgeries, but have not indicated *WHAT* they forge. Proof has not been furnished that the Jews did not *conceive and write them*. Neither has the circumstantial evidence been disproved that Jewish-Radical “New Dealers” patterned the “economic death” NRA and other *regimentation* legislation after Israel Moses

Sieff's subversive British "PEP" and Jewish Joseph's ancient Egyptian paternal and communal "AAA"—prophetically outlined in the Old Testament's Genesis. Religious theology has held that actual fulfillment is the acid test of prophetic authenticity.

That "The Protocols," without known authorship, have achieved so enormous a circulation, alone bears eloquent testimony to "authenticity" per se—to say nothing of concordant desperate Jewish suppression of their publication everywhere, which of itself arouses widespread suspicions.

These Jews are prominent in the Roosevelt Regime: Justice Louis Dembitz Brandeis, "Father of New Deal Philosophy"; Prof. Felix Frankfurter, "New Deal Legislative Exponent"; Bernard M. Baruch, "Unofficial President"; Edward A. Filene, "NRA" Financial Angel; Judge Samuel I. Rosenman, "Braintrust Founder"; Untermeyer & Wise, "Nazi Boycott Twins"; Mordecai Ezekiel, Herbert H. Lehman, David E. Lilienthal, William C. Bullitt, Jesse I. Straus, Sidney Hillman, Rose Schneiderman, Benjamin Cohen, Jerome Frank, Nathan Margold, Samuel Dickstein, E. A. Goldenweiser, Gerard Swope, Prof. Leo Wolman—"Chosen invisible advisors" in a long list of "Political Key-Posters."

DEADLY PARALLEL NO. 1

Extracts From the Protocol Plans, With Their Actual Fulfillments in American Politico-Economic Life, Under the Roosevelt Jewish-Radical Regime

POLITICS

Protocol Plans

Far back in the ancient times we were the first to cry "Liberty, Equality, Fraternity."—1*. When we introduced into state organisms the poison of Liberalism, states have been seized with a mortal illness.—10.

The political has nothing in common with the moral; he who wishes to rule must have recourse to cunning and make-believe; frankness and honesty are vices in politics.—1.

In politics we must know how to seize the property of others without hesitation; we must not stop at bribery, deceit and treachery.—1.

A satisfactory government is one that concentrates in the hands of one person only.—10.

Throughout Europe and other continents we must produce ferment, discords and hostility. Intensification of armaments is essential to the completion of our plans.—7.

We shall appear as alleged saviors of the worker from oppression, and propose to him to enter the ranks of our fighting forces—Socialists, Communists and Anarchists.—3.

Fulfillments

The United States of America is "sick" politically. Is this illness due to a poisonous propaganda flood of Liberalism, Socialism, Communism—during the Jewish-Radical New Deal Regime?

Note a few broken pledges of the Jewish-Radical Roosevelt Administration: "Sound money at all hazards"; "farm recovery must not be coercive"; "a tariff commission free from executive interference"; "we will cut government expenses 25 per cent." Bureaucracy has increased unprecedentedly after pledges to reduce it. Promised economic recovery has been blocked by wholesale "experiment." And others!

Were voters "bribed" with Santa Claus gifts, and deceived by the New Deal administration of Jewish-Radical "reforms," which have "transferred" much wealth?

Roosevelt was unquestionably given dictatorial powers by Jewish-Radical pressure on Congress, which initiates few laws now.

Is there discord in Europe and America at present? Are the armaments of Russia, France and England being increased?

Jewish-Radical New Dealers have constantly posed as saviors of labor—and the American Federation of Labor is now reported to have been communistically subverted. It supports the Jewish "Big Business" Boycott against Germany for expelling Jewish-Communists.

We have got into our hands the administration of the law, conduct of elections, the press, and educational training. We have *fooled*, bemused and *corrupted* the youth of the Gentiles by rearing them in principles and theories which are known to us to be fallacies, although *it is by us that they have been inculcated*.—9.

Our power will be more invincible than any other because it will remain *invisible* until it has gained such strength that nothing can undermine it.—1.

The principal factor in politics is *secrecy*; the word should not agree with the deed of the diplomat.—7.

We have in our service persons of *all doctrines*—Communists, Socialists, demagogues, utopian dreamers.—9.

To sum up our system of keeping the governments of the Gentiles of Europe in check, we shall show our strength to one of them *by terrorist attempts*.—7.

We shall create an intensified centralization of government.—5.

We have set the people on the *hobby-horse* of an idea about the absorption of individuality by the symbolic unit of collectivism. This hobby-horse is a *manifest violation* of the most important law of nature, which has established one unit unlike another precisely *for the purpose of instituting individuality*.—15.

We must discredit *personal initiative*; nothing is *more dangerous to our cause*.—5.

The best results in governing are attained by *violence*.—1.

God has given to us, his Chosen People, the gift of dispersion, and in this, which appears to be our weakness, has come forth *our strength*—which has brought us to the threshold of *sovereignty over all the world*.—11.

Are Jewish-Radical elements in prominent university professorships and columnist positions of great metropolitan newspapers? Has American youth been misled by brain-twisting theories and *false propaganda*? Jews headed *all* political tickets in the 1934 N. Y. State election—disfranchising the 80 per cent Gentile population—*winning by "default."*

Have we "*invisible government*" by Jewish "unofficial advisors" at Washington, such as Brandeis, Frankfurter, Morgenthau, Sr., Baruch, Filene, et al?

Who knows the secret framers of the Securities Paralysis Act, Monetary Deflation Law, NRA, SEC and 5-Billion Relief Measure? Communistic propaganda *increased after* U. S. recognition of Jewish Soviets *despite pledges* by Moscow that it would stop.

Washington *swarms* with all those classes, including members of the Jewish exploited American Civil Liberties Union, whose "main function is to attempt to protect Communists in their advocacy of force and violence to overthrow the U. S. Government," according to House of Representatives Report 2290 of Jan. 17, 1931.

The "Red Terror" in Russia has "*liquidated*" 30 *million Gentiles*. NRA "economic death" policy terrorized and ruined American small business men. Why were 12 American Army pilots needlessly killed?

Political power has been *centered* as never before in Washington Jewish-Radical hands. NRA, AAA, TVA and SEC regimentation laws are all held by experts to be *unconstitutional*. And Roosevelt's Secretary of Agriculture Wallace now calls for "*far more economic regimentation*."

The youth of America, radicals, socialists and demagogues *ride* this hobby-horse roughshod over all American Constitutional rights.

Restrictive regimentation laws in industry and agriculture have *extensively curtailed individual liberties*. Jewish-Radical publicity "smearely" assails as "*propaganda*" all individual criticism of policies. New Jersey has just passed an "anti-Nazi" pro-Jewish law apparently prohibiting "free speech and free press" discussion of racial or religious minority patriotic problems.

Investigators report that there has been *more strike violence* during the Roosevelt Jewish-Radical Regime than in *over 25 years previous*.

How does this check up with super-government League of Nations "*aspirations*" voiced by Jewish Author Zangwill in 1920, Zionist Leader Sokolow in 1922 and Rabbi Wise at the 1934 Geneva Jewish Congress?

ECONOMICS

Protocol Plans

Economic crises have been produced by us for the Gentiles by no other means than withdrawal of money from circulation.—20.

Wars should be brought on to the economic ground; our INTERNATIONAL rights will then WIPE OUT NATIONAL RIGHTS—2; the despotism of capital is entirely in our hands.—1.

With the aid of gold—which is *all in our hands*—we shall create *universal economic crises* which will bring industry to a standstill.—3.

We shall establish huge monopolies.—6.

As landed proprietors can be most harmful to us from the fact that they are self-sufficing, it is essential for us to deprive them of their land by *loading it with debt*.—6.

We shall raise wages, which, however, *will not bring any advantage to workers*, for at the same time we shall produce a rise in the prices for the *necessities of life*.—6.

To give the Gentiles no time to think, their minds must be *diverted* * * * thus all nations will take no note of their *common foe*.—4.

Fulfillments

Did *cornering of money* and the withdrawal thereof cause, and is it *prolonging* the "Great Suppression"?

Germany is being subjected to Jewish *Capitalistic Boycott* pressure for expelling Jewish *Communists*. "Wars are generally caused by *economic pressure*," Jewish Speculator Baruch told a Senate Committee March 27, 1935. President Brown of the "American Hebrew" in May, 1934, told the author in the presence of a witness that the Jews were going to "*bring a war on*" the Nazis.

Is American industry *stagnant* under the Jewish-Radical New Deal Administration? WHO is hoarding gold and silver but the Washington control?

Was NRA a "huge monopoly"? American credit and banking have been unprecedentedly monopolized by the Jewish-Radical Regime.

Are not U. S. farms now overloaded with *debt-mortgages*? Senator Moore of New Jersey recently said farmers may soon be *slaves on their own farms*, based on their statements to him.

The cost of living is rising *faster* than wages under the Jewish-Radical New Deal, due to *food destruction*, enormous confiscatory *new taxation*, experiment and *doubling* of national debt—while unemployment remains near *peak*. All deliberately subversive?

Is the American majority, due to *diversions*, its *subverted* press, and *misleading* propaganda, still *blinded* to the deadly peril of the Internationalist menace, slowly succumbing to crucifying attrition?

THE PRESS

Protocol Plans

We must compel governments to act as favored by our plans, *secretly promoted* through the *great power of the press* which, with but few exceptions which may be disregarded, is *already in our hands*.—7.

To put public opinion in our hands we must bring it to a state of *bewilderment* by giving expression on all sides to *so many contradictory opinions* as to cause the Gentiles to lose their heads and make it impossible to know where they are in the resulting chaos.—5.

Fulfillments

Are the American press, screen and radio *Jewish-dominated* through ownership and advertising subsidization? Read the answer in *directorships and great Jewish department store "ads."* "The Jewish banks are supreme, and one by one the Jews are capturing the principal newspapers," British Ambassador Spring-Rice wrote his Government on Nov. 13, 1914, from Washington, D. C.

This is a *key-strategy* of the protocols. Have we been *bewildered* by the Jewish-Radical New Dealer flood of *propaganda* in the press, over the air and on the screen? Have we ever been told by Roosevelt where he is heading? "The present may be called 'the Muddle Ages,'" said former Congressman James M. Beck recently; and Washington has been aptly termed "*The Kingdom of Confusion*."

*Figures are protocol numbers.

DEADLY "PARALLEL" NO. 2

Exposing the Jewish Capitalistic Cause of Jewish Revolutionary Communism—a "Solidarity" Alliance Between Two Apparently Conflicting Theories, Against the Gentile "Common Enemy"

How can two *conflicting theories* such as Jewish Capitalism and Communism *work together practically?*

The answer to "*Who finances Communism?*" supplies the *reconciliation* of the apparent paradox. Knowledge of *protocolic strategy* gives the key, viz.: *The Jewish Capitalism promotes revolutionary Communism and seizes control in the chaos.* Unrefuted printed documents published in Europe and America declare that International Jewish *Capitalists* Schiff-Warburg-Rothschild *financed Jewish Communists* Trotsky and Lenin in the "Red" Conquest of Russia, and established a *Bolshevist Capitalistic Soviet.*

"There is no Communism in Russia * * * an autocracy more absolute than any Czar's * * * It is an absolute despotism politically and the crassest form of state capitalism economically."—Jewish Communist Emma Goldman in "The American Mercury" for April, 1935. Jewish Communist Trotsky now attacks Stalin's "Gentile Front" Russian dictatorship—thereby providing a typical double-example of *protocolic Jewish strategy* to promote popular confusion.

Let Jewish and Gentile authorities give further testimony.

"*Jewish elements* provide the driving forces for *both Communism and Capitalism*"—Dr. Oscar Levy, London Jewish Savant.

"When we Jews 'sink' we become a *revolutionary (Communist) proletariat*; when we rise, there rises also the *terrible (capitalist) power of the purse*"—Theo. Herzl, "Father of Zionism," calling Gentiles "a common enemy."

"The propaganda of *Communism* throughout the world, in organization and direction, is in the hands of *Jewish agents.*"—Hilaire Belloc, French author.

"The Jews were the *directors* and strategists of the Marxist revolution in Germany"—British Journalist A. S. Leese.

"The ideals of *Bolshevism* are at many points *consonant* with the *finest ideals of Judaism*"—Jewish Chronicle in 1919.

"The Revolutionary Council which took over Russia was composed of 565, of whom 469 were Jews."—U. S. Congressional Record.

"We Communists say there is one way to abolish the capitalist state, and that is to smash it by *force*; this means *civil war.*"—Russian-born Jewish Editor Olgin of the largest *Communist* newspapers in the U. S.

"The time has come when Jews of America should begin to *feel the great responsibility for the evil deed (Communism) planned and hatched in the Camp of Israel.*"—B. A. M. Schapiro, a New York "Jew by race, Christian by faith."

D'Israeli wrote: "The most *skilfull accumulators* of property *ally themselves with Communists.*"

"Two of the most *prominent supporters* of this institution (Mena, Ark., Commonwealth College) are Justice Brandeis and Mrs. Brandeis," said the National Republic of November, 1930. Brandeis was a Jewish corporation lawyer. Arkansas legislators have been investigating that college as "*Communistic.*"

Jewish *Capitalist* Filene of Boston is reported to have *financed the Communistic NRA* until the Roosevelt Regime took it over.

"The two Internationales of Finance (Capitalism) and Revolution (Communism) work with

ardour; they are the two fronts of the Jewish Internationale. * * * There is a Jewish conspiracy against all nations."—Rene Groos, a Jewish writer in the *Nouveau Mercure* of May, 1927.

"If my people do not mend their ways and be good citizens in fact, pretty soon the time is coming when America is going to see pogroms beside which the pogroms of Europe have been nothing! Nothing!"—Late New York Jewish Philanthropist, Oscar Straus.

Prof. H. J. Laski, Jewish Director of the Socialistic Fabian Society of England is reported in a London publication as prophesying on Dec. 2, 1934: "If the experiment *for which Roosevelt is responsible* were in any serious degree to break down, the first result, because of the association of a number of eminent American Jews with it, would be **THE OUTBREAK IN THE U. S. OF ANTI-SEMITISM, MORE PROFOUND THAN ANYTHING ANGLO-SAXON CIVILIZATION HAS SO FAR KNOWN.**"

Facing the famous George Washington Bridge on the New York City side of the Hudson River is a Young Men's *Hebrew* Association. On its street bulletin in the last week of March, 1935, this display-notice appeared: "ANTI-HEARST RALLY." Hearst's newspaper chain has been publishing anti-Communitic, anti-Red and anti-Soviet news—but *without attacking Jews*—who, by the way, hold 80 per cent of the control of the present Russian Government. This is but one of many other modern illustrations apparently making "*Jews and Communism synonymous.*"

The current *Capitalist* Samuel Untermyer-Rabbi Wise Trade-Boycott against the German Government for expelling Jewish *Communists* is reported to be financed by Jewish *Capitalists*.

The five-pointed star on the caps of the soldiers of the Red Soviet "*Communist*" Armies is an ancient Jewish symbol. A red five-point star is displayed on many prominent newspaper advertisements of the *Macy Department Store in New York*. Roosevelt's 1932 Presidential backer, New York Jewish *Capitalist* Jesse I. Straus, U. S. Ambassador to France, is understood to dominate "Macy's."

A SOLUTION OF THE JEWISH PROBLEM

This whole analysis now *logically focuses* toward a sound solution of the Jewish Problem. The author favors a verdict based on the *Whole Truth, Exact Justice and Absolute Honor—enforced* by politico-economic penalties.

But Jewry must *first* appear with "*clean hands,*" before the Bar of America, to demonstrate good faith and allegiance to Americanism *before* loyalty to its own interests, by the establishment of the following prerequisites to a fair hearing:

Prerequisites

- (1) Jewish treasonable "tampering" with patriotic U. S. Mail **MUST STOP.**
- (2) American publicity channels **MUST BE FREED** from Jewish advertising or other intimidation.
- (3) Political Jews **MUST WITHDRAW** from all "key" positions to permit restoration of American majority REPRESENTATIVE Constitutional Government in place of present centralized minority "invisible rule" energizing Roosevelt.
- (4) MONOPOLIES of leadership of national and local political parties by Jewish "key controls" **MUST BE ELIMINATED.**
- (5) Jewish Capital **MUST RETIRE** from its anti-social monopoly of screen, radio and other American NECESSITY ENTERPRISES.
- (6) Jewish un-American professors and teachers **MUST BE PUT OUT OF** institutions of learning.
- (7) Jewish monopoly of the judiciary of America's great metropolis **MUST BE OUSTED.**

(8) Jewish promotion of the Communistic propaganda against American liberties MUST CEASE.

(9) International Jewish financial domination of America's monetary system MUST BE DESTROYED.

(10) The ANTI-AMERICAN U. S. Jewish Boycott against German-American trade MUST BE LIFTED.

(11) "Recognition" of the Jewish Soviet "Murder Government" MUST BE RECALLED because of deliberately broken Communist propaganda and economic pledges.

DEFENSIVE COUNTER-STRATEGY

Through monopoly of press and radio there is now being conducted by organized Jewish leadership the most colossal high-pressure publicity campaign in history to "*sell Jewry*" to Americans as absolutely "pure"; but since that leadership, holding Gentiles to be "*a common enemy*" has for many centuries *systematically deceived, exploited and boycotted us*, why should we believe *anything* it says now, or look upon propaganda in the subsidized press as other than *trickery, treachery and treason* to America—until Jewry repudiates its present leadership and *actually abandons* the hostility that is spreading *economic attrition-death* throughout the U. S. Not by words, but "*by their deeds shall ye know them.*"

Do Americans want their Avenues of Equal Opportunity closed to them and their children by an alien "crowding out"—not on merit, but on money-power?

Meantime, these practical self-protective individualistic measures seem imperative——

(1) A "*Buy Gentile*" patriotic crusade to defeat the *active Jewish-Radical pogrom-boycott on American politico-economic life*, which is effectively *preventing* business recovery and *destroying* national resources.

(2) "*Pitiless Publicity*" by word-of-mouth, pamphleteering and otherwise, to enlighten and dissipate the deadly inertia of American citizens *blinded by misleading protocolic propaganda*, energized and financed by *Jewish-Radical elements in control of the press and radio*.

(3) As a defence against Jewish-Radical *Communistic strike violence*, promote American *vigilante* protective organizations throughout the United States.

THE "VENGEANCE" PROTOCOL OF 1492

No denial, as to the authenticity, authorship or otherwise seems to have been authoritatively made of the "Protocol of 1492," when Chemor, Chief Rabbi of Spain, is reported as having written to the Grand Sanhedrin in Constantinople for advice when a Spanish law threatened expulsion of his people. The following "revenge-reply" is said to have been found in the Archives of Toledo, Spain:

"Beloved Brethren of Moses. We have received your letter. The advice of the Grand Satraps and Rabbis is the following:

(1) As for what you say, that the King of Spain obliges you to become Christians, do it, since you cannot do otherwise.

(2) As for what you say about the command to despoil you of your property, make your sons merchants, that *they may despoil*, little by little, the Christians of theirs.

(3) As for what you say about making attempts on your lives, make your sons doctors and apothecaries, that *they may take away Christian lives*.

(4) As for what you say of their destroying your synagogues, make your sons canons and clerics in order that *they may destroy churches*.

(5) As for the many other vexations you complain of, arrange that your sons become advocates and lawyers, and see that they always mix in the affairs of state, that *by putting Christians under your yoke* you may DOMINATE THE WORLD, and be AVENGED on them.

(6) Do not swerve from this order that we give you, because you will find by experience that, humiliated as you are, you will reach THE ACTUALITY OF POWER."

A SUMMONS TO MILITANT AMERICAN MANHOOD
(Only Truth, Justice and Honor Can Set Us Free)

To One Hundred Million American Freemen:

Now is the time to lend every possible financial and other support to a self-less PRO-American Crusade with *no racket to serve or complex to nurse*—(1) One that is *consecrating directly to campaign expenses, every dollar received*; (2) That KNOWS the great peril the nation is facing, *and the real remedy therefor*; (3) That has demonstrated *capacity* to face facts in the raw, *without fear or favor*; (4) That is attacking the *Cancerous Cause* instead of its radiating Symptoms, *and by a policy* such has achieved *vitaly important* coast-to-coast results in *less than a year*; (5) That has *concrete practical constructive plans* which, *adequately financed*, properly focused and boldly executed, *cannot fail* to overthrow an alien-admitted “*tissue-paper resistance*,” and restore representative Constitutional Government; (6) Whose crusade contemplates EXACT JUSTICE for Gentile and Jew.

“Trustees of Great Wealth,” acquired not by sweat of body or brain, but amassed through the operation of the natural law of “increasing returns,” sit supinely and blindly inert while the “backbone” of the nation dies by inches in a sinister pogrom-attribution, oblivious to the fact that if the Communism they may hope to defeat by a do-nothing policy, shall pass on, they will face a “share-the-wealth” confiscation by an outraged middle-class who hold that such riches were bestowed as a trust for the salvation of America in time of peril.

Why longer *dally* with a danger that may at any time *flame into civil war*?

Let us strike now like men, with the full patriotic power of never-defeated America, at the diabolical CAUSE of Communism and its ballyhooing dupes and racketeering rats.

WARN your national and state representatives that their BLIND submission to secret sinister influences, in direct violation of their oaths to “preserve, protect and defend” American liberties, is now DRIVING the middle-class majority toward a defensive anti-minority CIVIL WAR.

If you can't afford to contribute cash, be a Paul Revere and *personally broadcast the deadly peril*—by spoken and written word.

The evangelical fervor of aroused American public opinion, in an invincible *self-preservation* crusade, will *liberate* the subsidized “great power of the press” and *smash* this “Cross of Gold.”

Are Americans to be Slaves or *Masters in their own House*?

Mr. Michael F. Shannon

New York, New York

My dear Mr. Shannon:

At the request of Mr. O. F. Ferris, 1016 Citizens National Bank Building, Los Angeles, California, I had my secretary at Fort Wayne, Indiana forward to you some citations with reference to an alleged quotation of Lincoln which had been put in my hands at Los Angeles by Mr. Ferris. Under date of February 14 you received a letter setting forth such evidence as available about this quotation and on February 17 you acknowledged that you received the letter from Miss Ellen Herenden of The Lincoln National Life Foundation at Fort Wayne.

Today I am in receipt of a letter from Robert Edward Edmondson, 80 Washington Street, New York City, in which he claims that on a western lecture tour I used in my lectures the quotation which Mr. Ferris had handed to me and asked to have our Department's authenticity.

Inasmuch as Mr. Ferris and yourself are the only two men who have ever interviewed me about these alleged sayings of Lincoln, it appears that Mr. Edmondson has received his impression that I was using this statement from one of you two men or parties with whom you may have talked.

I wish to deny emphatically that I have at any time used the statements alleged to have been made by Lincoln as set forth in the inquiry of Mr. Ferris and I trust that you and Mr. Ferris will both do what you can to undo this very unjust charge which has been made that I used these quotations as having come from Abraham Lincoln.

I am sending to Mr. Edmondson today a copy of the letter which my secretary wrote to you and I trust that this with your own personal interest in the matter, may prevent any

My dear Mr. Ferris:

You will recall some weeks ago when I addressed the Kiwanis Club of Los Angeles that you came to me after the meeting and handed me a copy of a statement which you wished to have me investigate and send the findings on to Michael F. Shannon at New York City.

This was attended to immediately by my office and Mr. Shannon acknowledged receiving the information forwarded. I cannot learn that we received an acknowledgment of the copy directed to you but I anticipate you received it.

There comes to my desk today a letter from Mr. Robert Edward Edmondson, 80 Washington Street, New York City, in which he alleges that in my lecture tour in the West I used from the lecture platform the statements included in the memorandum which you handed me and has left the impression that I sanctioned or looked upon as authentic the alleged statements of Lincoln.

I trust you will do me the courtesy to write Mr. Edmondson and set him right on this matter as I certainly do not wish to be misrepresented as his letter indicates and I can think of no other source from which such charges could emanate except from our attempt to assist you and Mr. Shannon in this matter of the authenticity of Father Chiniquy's statements.

If it is convenient, I should like very much to have a carbon copy of the letter which you send to Mr. Edmondson.

Dear Mr. Warren:

Yes, indeed, I well recall your very courteous and prompt handling of my inquiry in behalf of Mr. Shannon regarding the quotation from Babcock's book, "The Soul of Lincoln".

Because we could develop no information through you that would authenticate such a statement by Lincoln, we have never used it.

I have questioned Mr. Shannon since receiving your letter and he states that he has never discussed it with anyone, so there is no possible tie-up with this Robert Edmondson concerning whom you write.

Our attention has been called to the testimony before the committee on un-American Activities, and for your information we enclose a copy of Mr. Shannon's statement before this committee as well as a copy of his statement at the presentation of the Elks Memorial to Congress recently. In the former you will note there is no reference to Lincoln at all and in the latter you will note the reference in the last paragraph where he used the familiar Ballot - Bullet quotation.

If Mr. Edmondson has made any statement that Mr. Shannon used the questioned quotation, we will of course be glad to set him right, but otherwise of course we will not address him, although of course we want to serve you in any way possible.

You need not bother to write Mr. Edmondson

It is a very common mistake to think that the only way to get a good education is to go to a good school. In fact, the best education is the one that you get from life. The best school is the one that you are in every day. The best teacher is the one who is always with you. The best subject is the one that you are interested in. The best way to learn is the one that you like. The best time to learn is the one that you have. The best place to learn is the one that you are in. The best person to learn from is the one who is always with you. The best thing to learn is the one that you need. The best way to teach is the one that you like. The best time to teach is the one that you have. The best place to teach is the one that you are in. The best person to teach is the one who is always with you. The best thing to teach is the one that you need.
